

Everybody needs advice at some point in life.

*HelpingTeens.org is a website that was created
by teenagers looking to help each other
with problems that they were
having in their lives.*

*Today, HelpingTeens has become a place for all teens
with problems varying from depression to sexuality,
and homework to health. If you feel like you need
to talk to someone, HelpingTeens is a website
to which you can come for discussion and
assistance about your troubles.*

24/7, we are here for you.
